

Serial No.: 10/762,644

REMARKS

Applicant respectfully requests reconsideration of this Patent Application, particularly in view of the above Amendment and the following remarks.

No additional fee is required for this Amendment as the number of independent claims remain unchanged, and the total number of claims has been reduced.

Amendment to the Claims

Applicant has amended Claim 11 to clarify that a transmitter module is positioned within a pocket formed by a sleeve which is removably fastened about a gunstock. This Amendment is supported in the Specification at Page 4, lines 14-15.

Conclusion

Applicant sincerely believes that this Patent Application is now in condition for allowance and thus, respectfully requests early allowance.

Respectfully submitted,
